## SPEAKER BIO

**How to unlock the tiny shifts in daily performance that compound to produce huge payoffs** – that is what audiences around the world learn after attending an event with the man affectionately known as “Dr. Love”. Few people create the types of thought-provoking and highly engaging experiences that Sardék Love is internationally known for. As an extremely popular speaker at conferences and corporate events, attendees to his **Peak Performance Made Simple**-related series of speaking events and training programs are guaranteed to enjoy Sardék’s famous Edutainment approach. Every person experiences a transformation with Sardék because he ensures everyone will "be better than they were yesterday."

**As Chief Executive Officer of Sardék Love International, Sardék has traveled to and worked in 32 countries** inspiring, developing, and educating managers, trainers, and staff in Fortune 100 companies, high-tech organizations, local / state / federal government agencies, and global brands on how to create high-performing teams. From working in west Siberia during the most frigid of winter temperatures to being lost in the Libyan desert in the scorching heat of summer to traveling to the incredibly lush and extremely remote jungles of Indonesia to revitalizing a workforce in war-torn villages of West Africa, his real-world experiences serve as the foundation of his powerfully captivating stories from which he brings his sessions to life.

**He has a long-standing history of thought leadership and developing talent at all levels.** He is a former President of the Virginia Tech College of Human Sciences Alumni Association. In 2003 as a member of the Association for Talent Development (ATD) National Advisors for Chapters, Sardék was awarded the Staff Partnership Award by Tony Bingham, ATD’s CEO. In 2018, he was cited by ATD as one of the top 25 global thought leaders in Talent Development that spoke at the ATD International Conference and Exposition. A regularly cited leadership, training, and peak performance expert, Sardék currently serves as a member of the University of Maryland Baltimore County (UMBC) Graduate Instructional Systems Development Board.
